DETAILED ACTION

Allowable Subject Matter

1. Claims 1 thru 86 are allowed. The following is an examiner's statement of reasons for allowance: The references of record, either singularly or in combination, do not teach or suggest at least an active matrix liquid crystal display device comprising: a glass substrate; an underlying insulating film formed on said glass substrate; at least one thin film transistor, said thin film transistor having a semiconductor layer; wherein said underlying insulating film contains halogen.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
